

# STORE BRAND CROSS-OVER LIST

The following listing is provided as a cross-reference of Store Brands to original manufacturer and model number. Although not exhaustive, this list covers most major stores and chains that have had their name put on guns by other manufacturers. The values for the firearms listed on these pages are approximately 15% - 40% less than the original manufacturers' model(s).

Our thanks goes out to Numrich Gun Parts Corp., West Hurley, NY. They can be reached at (845) 679-4867.
